

# J & J Display Pte Ltd

- a display specialist -

We are incorporated in Singapore in the year 2000. With a team of dedicated engineers, we are engaged in the designing and manufacturing of innovative high-quality elevator products for the lift industry. Leveraging on our core capability in display technology, we diversified into digital signage products. Our key customers in Singapore are Schindler, Kone, ThyssenKrupp, Otis and Fujitec.

We specialise in the following products:-

- **Lift Displays & ancillary products**

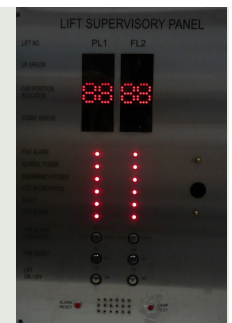

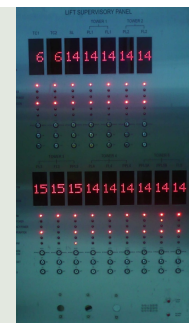

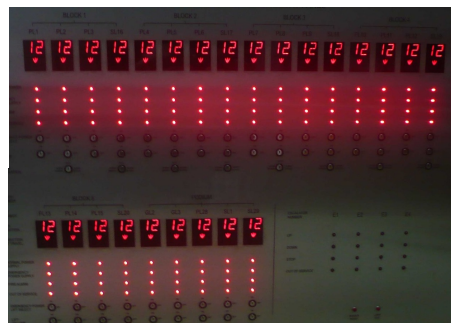

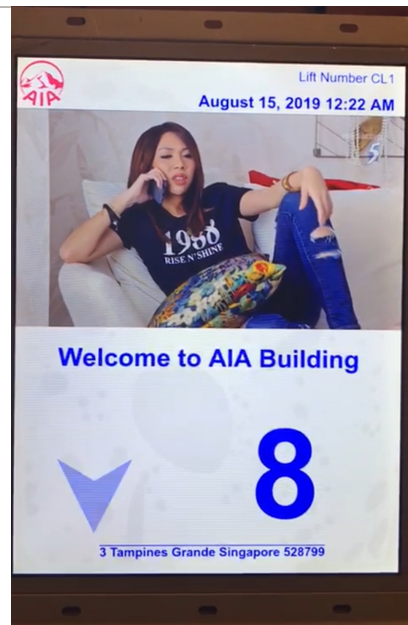

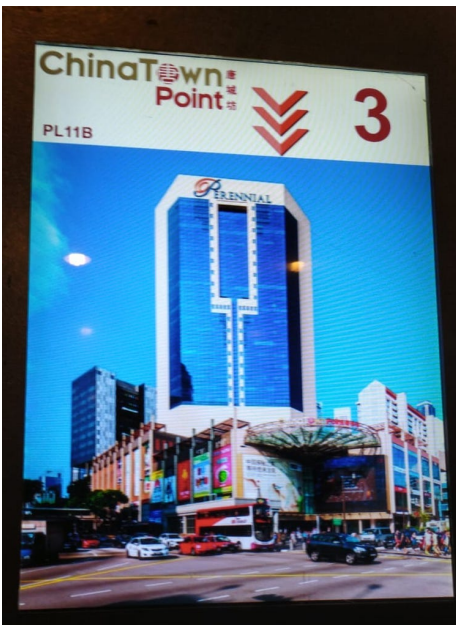

- (1) LCD Displays with TV live streaming
- (2) LED Displays
- (3) Lift Supervisory Panels

- **Multimedia Digital Signage** with TV live feed from dvb-t2 terrestrial broadcasting or internet streaming

- **3D Hologram Advertising Display (LED Fan)**
